

Hand Held Metal Detector

Brand: GARRETT

Model: 1165180SKU

Country of Origin: USA

Made In: China

Unit Price: Tk. 2,500

Optional

Battery (rechargeable-SONY) Tk. 500

Battery Charger Tk. 400

- Handheld Metal Detectors
- ABS Plastic Material
- Operate up to 80 hours on a single 9V battery (included).
- A large, 10" scan area, 1-switch operation, and both audio and LED alarms allow quick, accurate scanning.
- Push-button interference reduction ensures effective operation, even near ambient metals, such as rebar. Low battery indicator.
- Standards Meets Electrical Safety Requirements for CE, FCC, and ICNIRP

Product Information:

Item	Hand Held Metal Detector
Material	ABS Plastic
Exterior Width (In.)	3-1/4
Exterior Height (In.)	16-1/2
Exterior Depth (In.)	1-5/8
Weight (Lbs.)	17.6
Signal Output (dB)	80
Audio Alarm	Volume Adjustable
Operating Frequency (Hz)	93,000
Max. Operating Temp.	-35 Degree to +158 DegreeF
Indicator	LED/Audio
Battery	9 Volt
Battery Life	80 Hours
Standards	Meets Electrical Safety Requirements for CE, FCC, and ICNIRP
Includes	9V Battery
Weight	1.45
