![NovoConnect - Simple. Guaranteed.]

NC-X700 is a powerful visual communication hub that transforms any display into a collaboration screenand a digital announcement board

With the NovoConnect NC-X700, meeting participants are able to mirror or wirelessly show content from any device to a larger display screen. Thanks to the cross- platform compatibility with Windows, macOS, Ubuntu, Android and iOS, the connection is smooth and easy. In addition, users can make a direct connection to the Windows 10 Miracast. Guests will benefit from an optional LauncherPlus USB, which is an extension for direct Wi-Fi connectivity from any laptop. Furthermore, The NC-X700 offers a seamless switch to Digital Signage mode in between meetings and transform idle screens into digital announcement boards.
